CLAIMS OF COPYRIGHT INFRINGEMENT

19. Plaintiffs repeat and reallege each of the allegations contained in paragraphs 1 through 18.

20. Plaintiffs allege five (5) claims of willful copyright infringement, based upon Defendants' unauthorized public performance of musical compositions from the BMI Repertoire. All of the claims for copyright infringement joined in this Complaint are governed by the same legal rules and involve similar facts. Joinder of these claims will promote the convenient administration of justice and will avoid a multiplicity of separate, similar actions against Defendants.

21. Annexed to this Complaint as a schedule (the "Schedule," attached hereto as Exhibit 1) and incorporated herein is a list identifying some of the many musical compositions whose copyrights were infringed by Defendants. The Schedule contains information on the five (5) claims of copyright infringement at issue in this action. Each numbered claim has the following eight lines of information (all references to "Lines" are lines on the Schedule): Line 1 providing the claim number; Line 2 listing the title of the musical composition related to that claim; Line 3 identifying the writer(s) of the musical composition; Line 4
{00289553.DOC / }

identifying the publisher(s) of the musical composition and the plaintiff(s) in this action pursuing the claim at issue; Line 5 providing the date on which the copyright registration was issued for the musical composition; Line 6 indicating the copyright registration number(s) for the musical composition; Line 7 showing the date(s) of infringement; and Line 8 identifying the establishment where the infringement occurred.

22. For each work identified on the Schedule, the person(s) named on Line 3 was the creator of that musical composition.

23. For each work identified on the Schedule, on or about the date(s) indicated on Line 5, the publisher(s) named on Line 4 (including any predecessors in interest), complied in all respects with the requirements of the Copyright Act and received from the Register of Copyrights Certificates of Registration bearing the number(s) listed on Line 6.

24. For each work identified on the Schedule, on the date(s) listed on Line 7, Plaintiff BMI was (and still is) the licensor of the public performance rights in the musical composition identified on Line 2. For each work identified on the Schedule, on the date(s) listed on Line 7, the Plaintiff(s) listed on Line 4 was (and still is) the owner of the copyright in the respective musical composition listed on Line 2.

25. For each work identified on the Schedule, on the date(s) listed on Line 7, Defendants publicly performed and/or caused to be publicly performed at the Establishment the musical composition identified on Line 2 without a license or permission to do so. Thus, Defendants have committed copyright infringement.

26. The specific acts of copyright infringement alleged in the Complaint, as well as Defendants' entire course of conduct, have caused and are causing Plaintiffs great and incalculable damage. By continuing to provide unauthorized public performances of works in the BMI Repertoire at the Establishment, Defendants threaten to continue committing copyright infringement. Unless this Court restrains Defendants from committing further acts of copyright infringement, Plaintiffs will suffer irreparable injury for which they have no adequate remedy at law.

WHEREFORE, Plaintiffs pray that:

(I) Defendants, their agents, servants, employees, and all persons acting under their permission and authority, be enjoined and restrained from infringing, in any manner, the copyrighted musical compositions licensed by BMI, pursuant to 17 U.S.C. Section 502;

(II) Defendants be ordered to pay statutory damages, pursuant to 17 U.S.C. Section 504(c);

- (III) Defendants be ordered to pay costs, including a reasonable attorney's fee, pursuant to 17 U.S.C. Section 505; and
- (IV) Plaintiffs have such other and further relief as is just and equitable.

Respectfully submitted this 21st day of October, 2015.
